

## Industry Experience

Computer systems integration services  
Software Design Services

## Functional Experience

System Architect Design  
System development  
Programming

## Systems Experience

JDBC  
MS SQL  
MySQL  
ODBC  
Linux  
Mac OS  
Android  
J2SE/J2EE  
Tomcat  
C++  
Java  
JSP  
Git  
Angularjs  
Spring  
Spring Boot  
Struts2  
RESTful  
WebSocket

## Education

09/2006 – 06/2009

**CHUNG YUAN CHRISTIAN UNIVERSITY, Taoyuan, Taiwan**

Master of Information & Computer Engineering

09/2002-06/2006

**CHUNG YUAN CHRISTIAN UNIVERSITY, Taoyuan, Taiwan**

Bachelor of Information & Computer Engineering

## Languages

Mandarin, Native  
English, Professional working proficiency

## Personal Information

Birthday: Aug. 18, 1982

## Chieh-Lun Liu 劉傑倫

### Relevant Business Experience:

- Solid academic background with 7+ years progressive and professional experiences related to Java program developer and project manager.

### Relevant Career Experience:

04/2012 – Present	SOFTPOWER TECHNOLOGIES INC., Taipei, Taiwan <i>Software Engineering Manager</i>
