Industry Experience

Mobile Cloud Management Services and IoT Technology

Communications Machinery and Equipment

Functional Experience

Software Engineer

Systems Experience

JAVA
J2EE Web Service
Web Application Architecture
Database Schema
J2SE
JDBC
Servlets
JSP
Spring Framework
Hibernate
Ubuntu
Linux
Shell Script
PHP
MySQL
SQLite
Tomcat

Education

**2010/09 –2013/10
National Chiao Tung University, Hisn-Chu City**

Master of Computer Science

**2004/09 – 2008/06
National Kaohsiung University, Kaohsiung City**

Bachelor of Computer Science

Languages

Mandarin Chinese, Native

English, Moderate

Personal Information

Birthday: Oct.15, 1985

Jia-Jing Wang 王嘉敬

Relevant Business Experience:

- Sound academic background with 3 years progressive experience related to Java programming.

Relevant Career Experience:

2016/10 – Present   Miva Technologies Inc, New Taipei City
Sr. Android Application Engineer

2016/01 – 2016/10   AsianArk Technology, Taipei City
Sr. Android Application Engineer

2014/02 – 2016/01   Netronix Inc., New Taipei City
Android Software Engineer

Work Experience

2016/10 – Present	**Miva Technologies Inc, New Taipei City**
	Sr. Android Application Engineer

- MIVA is Unified-IoT mobile cloud-App mobile interactive solution Integrate third-party SDK by RESTful API with MIVA App
  - ➢ Technology: JavaNDK、Android、JSON、OAuth2、Google Push Notification、Firebase.
  - ➢ Tools: Android Studio

2016/01 – 2016/10	**AsianArk Technology, Taipei City**
	Sr. Android Application Engineer

- AG Game Portal A
  - ➢ Technology: Java、Android UI layout design
